The JoinEU-SEE>PENTA project

JoinEU-SEE>PENTA is a scholarship scheme for mobility between the EU and the Western Balkans, funded within the Erasmus Mundus 2009-2013 programme. Scholarships are available for students (undergraduate, master, doctoral and post-doctoral) and staff (academic and administrative).

The objective of the JoinEU-SEE>PENTA partnership is to foster understanding and mutual enrichment between the EU and the third countries in higher education and society at large by

- supporting the development of individuals' qualifications and international experience;
- promoting the academic mobility of excellent third-country students, academics and researchers, in particular from vulnerable groups;
- enhancing the international cooperation capacity of the partner institutions by sharing good practice and expertise in the organization of academic mobility.

Who can apply?

Students and staff members of all partner universities, both from EU and Western Balkan countries, as well as nationals of any EU country and the Western Balkan partner countries.

Scholarships and duration

Scholarships include monthly subsistence allowance, travel and visa costs, insurance, and tuition fees (if applicable).

Scholarships are available at five different levels of mobility.

Level of mobility	Duration	Monthly allowance
Undergraduate	1 semester or 1 academic year	1,000 € per month
Master	1 semester to 24 months	1,000 € per month
Doctorate	6 months to 36 months	1,500 € per month
Post-doctorate	6 or 10 months	1,800 € per month
Staff	1 month	2,500 € per month

Eligible types of mobility: credit transfer (=exchange mobility), full degree, short stays

IMPORTANT: Consult the JoinEU-SEE>PENTA website for detailed information on the available types of mobility and maximum duration according to your NATIONALITY.

Fields of Study

All universities in the JoinEU-SEE>PENTA consortium are comprehensive universities offering a wide range of study fields. At the same time, the academic needs and expertise of universities as well as the needs of the third-country region are taken as the basis for the mobility frame. Further details:
