18. Learning methods:

The most important learning methods are:
- Lectures on the occasional use of multimedia resources, work on the texts - discussion of students
- Seminars
- Preparation and presentation of group and individual seminar papers.

19. Assessment methods:

As part of the prerequisites for the final exam, students produce individual or group assignment (essay) which includes a specific topics covered over the semester. The assignment is submitted in the written form to the lecturer for examination and evaluation and then presented orally. In writing and presenting a group assignment, participation of each student is evaluated individually. Student can earn 0 to 30 points for writing and presenting assignment. Also, for continued active in-class participation over the semester students can earn 0 to 20 points. The final exam is taken in the written form.
All assignments/exam points are calculated cumulatively into the final grade. In order to pass the course, students are required to earn at least 54 points.

20. Assessment components:

In-class presence and in-class activity 20
Assignment (essay) 30
All pre-exam activities 50
Final exam 50
