SYLLABUS

1. Course title:

Basics of Bosnian, Croatian and Serbian grammar and spelling II

2. Code:

3. Cycle of study:

1

4. ECTS credits:

5

5. Type of course:

(●) Mandatory ( ) Elective

6. Prerequisites:

no

7. Class restrictions:

no

8. Duration / semester:

1 2

9. Weekly contact hours:

9.1. Lectures:	2
9.2. Seminars:	1
9.3. Laboratory/Practice classes:	0

10. Faculty:

Faculty of Humanities and Social Science

11. Department/study program:

Turkish language and literature

12. Lecturer:

PhD Sead Nazibegović, Associate Professor

13. Lecturer's e-mail:

seadnazibegovic@gmail.com

14. Web site:

www.ff.unitz.ba

18. Learning methods:

Lectures, auditory (theoretical) exercises, Individual and team / group projects (IP / GP). The individual project will be in the form of a seminar paper, the scope, structure and presentation of which will be agreed with the teacher. Team / group the seminar work is intended for a group of three to five students and will include a specific topic from the field that will group to determine with the teacher. The topic of the seminar paper should be covered using the available literature and contemporary knowledge in that field.

19. Assessment methods:

Knowledge is tested orally and in writing. Written verification of knowledge is carried out with different tests after they have been completed lectures and exercises from certain fields. The oral way of checking knowledge is intended for students who are in literacy scored less than the required number of points in the knowledge tests. The oral part of the exam is realized as a conversation about the essentials topics from which there was a written test where the student did not get the required number of points.
Tests
After the end of lectures and exercises in certain areas, the teacher will check the mastery of the material with tests that will consist of a certain number of questions and tasks from previously processed material. About the time of holding the written students will be notified at least fifteen days before the examination. Students who overwrite will be removed from the exams and their tasks will not be scored. The student has passed that part of the exam if he achieves at least 50% of the points provided for that test.
Final part of the exam (test or oral knowledge test)
In order for a student to take the final exam, he must first obtain at least 40% of the total number of points.
The second part of the exam will be organized as a written exam - a test or independent written work on one of the three topics offered.

20. Assessment components:

Criterion number of possible points:
a) attendance and activity in classes attendance at lectures and exercises 10
activity in lessons 10
