

Summer University at the University of Opole (Poland)

Registration deadline May 15, 2018

Dear Partners,
Dear Colleagues,

We want to remind you that the University of Opole invites your students to participate in the Summer University 2018 . As we have informed you before, this year we have changed the conception and introduced more freedom and flexibility into our programme, thus offering an opportunity to each participant to pursue their own interests and ambitions.

80 hours of classes, workshops and activities. Two English Modules (Practical English with elements of academic English - 30 h, and Elective Courses - 24 h). Rich afternoon and weekend activities. This is what we have prepared to boost English proficiency of the students and improve their social skills.

The fee for the Summer School is 539 Euro EUR and covers the 80 hour course, accommodation at the dormitory, a two day trip to Polish historical capital city - Cracow, and after class activities.

ATTENTION: We have extended the deadline for registration until 15 May 2018.

Attached you can find the poster. If possible, we would appreciate uploading the materials to your university's social media or website, or passing on the link to our group on Facebook:
