

Alpbach Scholarship Programme

Scientific exchange and international dialogue

A scholarship covers participation in the seminars, breakout sessions and plenary discussions of the European Forum Alpbach. The call for applications is aimed at young people under 30 years of age from all over the world who want to come to Alpbach with their bags filled with fresh ideas for science and society.

All information about the application procedure can be found online:

<http://www.alpbach.org/en/scholarships/>

The call for applications ends on March 29, 2019 (11:59 am).
