

**22nd International Conference on
Circuits, Systems, Communications and Computers (CSCC 2018)**

www.csccl.com

in Mallorca July 14-17, 2018

Hotel: Occidental Playa de Palma,

www.barcelo.com

Dear Colleague,

We would like to invite you to participate in our 22nd International Conference on Circuits, Systems, Communications and Computers (CSCC 2018) www.csccl.com in Mallorca July 14-17, 2018. Our conference will be held in the Hotel: Occidental Playa de Palma, www.barcelo.com

CSCC is a World Forum on Circuits, Systems, Communications and Computers with long history (see below), famous Plenary Speakers and Committee, many special sessions and symposia and of course indexing in ISI and SCOPUS for its proceedings and for its extended versions in ISI/SCOPUS Journals.

Each year CSCC receives more than 700-800 papers.

The 22nd CSCC Multiconference will be held in the famous island of Mallorca, famous for his history, architecture, historical monuments, medieval churches, medieval walls, museums, art, literature, music, dance, water parks, beaches, mountains, valleys, sports, traditional villages and night life. Some of the Photos of this site have been made by the organizers during their another conference in Majorca in August of 2016.

Mallorca is one of the most famous islands of our planet and the Summer of 2018 with CSCC in Mallorca will be an unforgettable experience.

More Details:

The accepted papers will be published in the Journal "MATEC Web of Conferences" (ISSN 2261-236X) to publish the Conference Proceedings after peer review. This Journal is indexed in the following high-quality indexes:

ISI Web of Science
Scopus
EI Compendex
Engineering Village
Inspec
DOAJ
EBSCO (EBSCO Discovery Service)
Chemical Abstracts Service (CAS)
Google Scholar
Polymer Library
Materials Science & Engineering Database (ProQuest)
SciTech Premium Collection (ProQuest)
Technology Collection (ProQuest)

The past 2 CSCC Conferences have been published in MATEC Web of Conferences

<https://www.matec-conferences.org/articles/mateconf/abs/2017/39/contents/contents.html>

<https://www.matec-conferences.org/articles/mateconf/abs/2016/39/contents/contents.html>

Extended versions of all the papers will be published in various high quality international journals indexed in ISI, SCOPUS, IET, DBLP, ACM, EBSCO, SemanticScholars, ProQuest, Google Scholar etc...

Call for Sessions, Workshops and Minisymposia

We would like to invite you to organize a Special Session, Workshop, Minisymposium for CSCC18

<http://www.cscce.org> .

Please, send us (by email) as soon as possible

- * The title of your Special Session, Workshop, Minisymposium
- * The name, affiliation, mailing address and e-mail address(es) of the proposer(s)
- * The aim of your Session , Workshop, Minisymposium (not exceeding 80 words)
- * Topics of your Session, Workshop, Minisymposium

Benefits for successful session (workshop or Minisymposium) organizer

1. For every 5 fully registered papers, the organizer is entitled to submit a sixth paper without paying any registration fees.
2. Successful Session organizers will be included in the Steering Committee of CSCC 2019.
3. Successful Session organizers will Chair their session.
4. Successful Session organizers will receive an additional ticket for the banquet.
5. Successful Session organizers will receive a Certificate for the organization of their session.

* Successful Session is any session with 5 or more than registered papers with fully registration

We can promote your Special Session / Workshop/ Minisymposium via various scientific mailing lists. If the authors have already uploaded the same papers independently via the web, then, these papers cannot be considered for your Special Session, Workshop, Minisymposium.

Proposals for Special Session, Workshop, Minisymposium will be sent to Reviewers for peer review and can be accepted or rejected.

See the accepted Sessions, Workshops, Minisymposia until now:
