#### **4th International Contemporary Education Research Congress**

Congress will be held with the cooperation of Contemporary Educational Research Association (CEAD) and Muğla Sıtkı Koçman University at Ersan Exclusive Resort & Spa in BODRUM , MUGLA /TURKEY , between 04-07 October, 2018.

The main theme of the congress has been designated as "Education, Youth and Future". The languages of the presentations are Turkish, English, Polish, German and Russian. Apart from this thematic framework, papers can be presented in every field of education and in general education subjects such as health sciences, literature education and economics education and problems regarding these fields. The papers that will be presented orally or in the form of posters will be published as an international independent book with the theme of "Education, Youth and Future", full text books or academic papers according to referee report of the papers or in line with the author's wish.

We wish that our congress that is going to be held in Bodrum, which is a corner of paradise in Turkey, will be productive with your support and participation and as Contemporary Educational Research Association (CEAD) and Muğla Sıtkı Koçman University, we would like to remark that we will be glad to see the distinguished scientists, researchers and educators such as you at our congress in Bodrum, Muğla.

The participants from abroad will not pay the congress participation fee. However, accommodation will be paid by the participants.
