### Conference Scope

**International Scientific Conference (6<sup>th</sup> ScieConf) proposes an effective and well established presentation and publication opportunity for PhD students, young researchers and practitioners (scientists).**

We invite authors of especially cross-disciplinary and multi-disciplinary studies to submit their paper. The whole list of discussed topics is available at [web page](#).

### Important Dates

Normal Submission Deadline: **April 6th, 2018**

Notification of Authors (acceptance notification): **May 25th, 2018**

Official online Conference dates: **June 25 - 29, 2018**

### Submission Procedure

Authors are invited to submit their papers before given deadline, using [conference submission system](#). The paper must be written in English and it must be original, unpublished works considering all ethical publication standards.

The conference adopts single blind peer review process. Each submitted paper is reviewed by international Scientific and Technical Committee, which ensures the highest publishing requirements. Each paper has assigned at least 2 Reviewers.

### Publication Procedure

All accepted papers will be published in:

CDROM with ISSN and ISBN

In online conference archive with ISSN and DOI.

Each paper will receive a DOI identifier as well.

ScieConf ensures archiving of published papers and online visibility - DOI and CrossMark are included.

More information about the conference is available at [www.scieconf.com](http://www.scieconf.com). If you have questions contact us at: [info@scieconf.com](mailto:info@scieconf.com).
