

## International Inter University Photography Exhibition (IIUPE)

Hello Photography Enthusiast!

This is to inform you that North South University Art & Photography Club (NSUAPC) is organizing ‘International Inter University Photography Exhibition (IIUPE)’ this year. It’s the 11th time the event is going to take place. The event intends to promote non-professionals, more specifically, the university going students, on a wide international scale.

Any undergraduate or graduate student can participate in this event. THE GRANDEST PHOTOGRAPHIC PLATFORM FOR UNIVERSITY STUDENTS where you can also globally compete with photographers from different parts of the world.

It’s the biggest photography competition in South Asia for students organized by a student body.

Last time 934 Photographers from 188 universities (82 international, 106 national) of 41 countries competed in this event.
