

**INTERNATIONAL STUDENTS CONFERENCE,
April 25-27, Pristina, Kosovo**

The International Student Conference will be held on 25, 26 and 27 April in Facility 6 of [AAB College](#), Industrial Zone Pristina – Fushe Kosove, Pristina, Republic of Kosovo.

The scientific program of the conference includes oral or poster presentation of various researchers by master and doctorate students, in front of a professional and international audience. The conference will develop the scientific work in separate panels and sessions according to the approved abstract, while the presented papers will be published in the Book of Abstracts with ISBN.

Beside the rich scientific program, we will also have an interesting social program filled with various activities such as: an entertainment evening that will be held in the most modern university facility in the region; social program and tour in the vicinity of the capital city; activities which enable participants to get to know each other and enjoy their stay in Pristina.

The purpose of this event, organized by students, is to promote students research, exchange their experiences and offer students the opportunity to expand their social and scientific network.

Applicants from our country, region as well as worldwide, are welcomed to send their abstracts from a wide range of different fields to participate in this student scientific conference:

Social Science and Humanities;

Political Science, International Relations, Security;

Economy, Entrepreneurship and Innovation.

This is a perfect opportunity to introduce your research, make new friends, entertain and get to see Kosovo.
