Dejan LUKIĆ	Dragan ŽIVANIĆ

PAPER SUBMISSION

Authors are welcome to submit paper(s) in accordance with KOD 2018 symposium topics.

The official language of the Symposium is English.

1. SHORT ABSTRACT SUBMISSION

For uploading the short abstract please follow the procedure:

- Create/Open an EasyChair account at **EasyChair** platform;
- Upload the short abstract, as **DOC** or **DOCX** file

The **short abstract** presents the essence of the paper and should not exceed 200 words. It briefly summarises the background, aim or purpose of research, method used, results/findings and conclusions of the paper. We also recommend using keywords in order to identify the contents of the papers.

2. PAPER SUBMISSION

For uploading the paper please follow the procedure:

- Open the EasyChair account at **EasyChair** platform;
- Upload the paper, as **PDF** file.

Authors must adhere to the symposium written paper format. Please, when preparing the paper, use **KOD 2018-paper template** that can be downloaded at www.kod.ftn.uns.ac.rs

Authors, who have papers included in the Symposium Program, are kindly invited to submit **until 15.03.2017** the full version of their papers as PDF file, having **at least 6 but no more than 10 pages**.

Papers uploaded after the deadline will not be accepted at the symposium.

For any problem regarding paper submission, please send an e-mail to kod@uns.ac.rs

SYMPOSIUM FEE

The symposium fee per each paper is **120 EUR**.

It includes: publication of one paper, symposium materials, entrance to all symposium sections and for one person welcome drink, coffee breaks and symposium banquet.

The 10th International Symposium

KOD 2018
MACHINE AND INDUSTRIAL DESIGN
IN MECHANICAL ENGINEERING

6 - 8 June 2018, Novi Sad, Serbia

with support of

Association for Design,
Elements and Constructions

International
Federation for
the Promotion of
Mechanism and
Machine Science

CALL FOR PAPERS

The 10th International Symposium on Machine and Industrial Design in Mechanical Engineering (KOD 2018) will be held in University of Novi Sad, Faculty of Technical Sciences in Novi Sad, Serbia on June 6-8 2018.

The objective of KOD 2018 is to review the current state of knowledge and present the scope of scientific research and innovation in the field of mechanical engineering design, product developing and management.

The KOD 2018 papers will be peer reviewed by two reviewers. The registered and presented papers will be published online with open-access in a volume of IOP Conference Series: Materials Science and Engineering indexed in major international databases: Ei Compindex, Scopus, Thomson Reuters (WoS), Inspec, et al.

The symposium will attempt to define the directions of further development in mechanical engineering. The leading professors in this field from this region will be engaged to take introductory lectures and give us their view of this issue.

The basic goals of this symposium are:

- to assemble famous investigators and practitioners from faculties, scientific institutes and different enterprises or other organizations,
- to enable presentation of new knowledge and exchange of practical experience in mechanical and graphical engineering, industrial design and shaping, product development and management,
- to propose theoretically developed and practically tested solutions for improving the quality of products in mechanical engineering in order to achieve the highest possible position on the international market.

Participants of symposium KOD 2018 contributed to the understanding of design building relationships across multidisciplinary design domains including engineering and product development, innovation, management, complexity, human behaviour and system design. The symposium provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

ORGANIZERS:

University of Novi Sad, Faculty of Technical Sciences
Novi sad

ADEKO – Association for Design, Elements and
Constructions, Belgrade

IFTToMM - International Federation for
the Promotion of Mechanism and Machine Science

TOPICS:

1. DESIGN, MANUFACTURING AND MANAGEMENT OF MACHINE ELEMENTS, EQUIPMENT AND SYSTEMS
2. MANAGEMENT AND MONITORING OF MANUFACTURING PROCESSES
3. APPLIED MODELLING, INDUSTRIAL DESIGN AND VIRTUAL ENGINEERING
4. MECHATRONICS AND ROBOTICS
5. QUALITY ENGINEERING AND MANAGEMENT
6. ACADEMIC EDUCATION AND MANAGEMENT
7. ECONOMICAL ASPECTS OF CONSTRUCTION OF TECHNOLOGICAL EQUIPMENT AND SYSTEMS
8. ECOLOGY, ERGONOMICS, ENERGY EFFICIENCY, ENVIRONMENT PROTECTION, SAFETY AND HEALTH AT WORK

DEADLINES:

- Abstract submission: **February 10th, 2018**
- Notification of abstract acceptance: **February 15th, 2018**
- Paper submission: **March 15th, 2018**
- Notification of paper acceptance: **April 15th, 2018**
- Revised paper, extended abstract and license agreement submission: **April 24th, 2018**
- Notification of final paper acceptance: **May 1st, 2018**
- Symposium fee payment deadline: **May 10th, 2018**
- Confirmation of participation: **May 15th, 2018**
- Preliminary program due: **May 30th, 2018**

Symposium Chairs:

Milan RACKOV, Novi Sad
Radivoje MITROVIĆ, Belgrade
Daizhong SU, Nottingham UK

Honorary Committee:

Siniša KUZMANOVIĆ, Novi Sad
Miroslav VEREŠ, Bratislava
Milosav OGNJANOVIĆ, Belgrade
Vojislav MILTENOVIĆ, Niš
Danica JOSIFOVIĆ, Kragujevac

International Scientific Committee:

Carmen ALIC	Tihomir LATINOVIĆ
Zoran ANIŠIĆ	Milovan LAZAREVIĆ
Kyryll ARNAUDOW	Stanisław LEGUTKO
Ranko ANTUNOVIĆ	Aleksandar MARINKOVIĆ
Nicolae BĂLC	Dragan MARINKOVIĆ
Livia Dana BEJU	Nenad MARJANOVIĆ
Mirko BLAGOJEVIĆ	Biljana MARKOVIĆ
Ilare BORDEAȘU	Štefan MEDVECKY
Branislav BOROVIAC	Gyula MESTER
Marian BORZAN	Athanassios MIHAILIDIS
