

**Joint conference on Engineering and Business Education, Sibiu, Romania,
16 - 19 October 2019**

Dear Colleagues,

It is a great pleasure for us to invite you to participate to the joint event: 9th Balkan Region Conference on Engineering and Business Education (BRCEBE) and 11th International Conference on Engineering and Business Education (ICEBE) to be held in Sibiu, Romania, 16 - 19 October 2019.

Conference's mission is to disseminate recent research findings and development outcomes in engineering and business education as well as capacity building, with a focus on interdisciplinary and cross-cultural collaboration. This conference offers an unique opportunity for academics, practitioners and students from around the globe to share their knowledge, concerns and perspectives on educational environment and mindset, suitable for the development of innovative tech-products, tech-apps, business-processes, business-models and personal development with a global and local impact.

This event includes also the presentation of two Erasmus+ co-funded projects:

- * PEESA III - Personalised Engineering Education in Southern Africa and
- * DYNAMIC - Towards responsive engineering curricula through Europeanisation of dual higher education

More details about the conference are provided on the website of the conference <http://conferences.ulbsibiu.ro/brcebe/>
