

**Invitation for participating in the International Scientific Conference
"Academic Studies in Human, Education and Social Sciences"
at Mediterranean University**

Dear Colleagues,

On the occasion of its 10th anniversary, the Mediterranean University of Albania is pleased to invite you to the organization of the International Scientific Conference with the subject "Academic Studies in Human, Education and Social Sciences" organized on 29-30 March 2019 , at Mediterranean University.

This event is a special effort to share and explore different perspectives, ideas and opinions on aspects of education and social issues.

Therefore, we cordially invite you to be part of this international conference and we welcome your scientific work.

For all interested, you can find more information about the conference in the following link.
