Dr.sc.Adib Đozić, full professor

13. Lecturer's e-mail:

adib.djozic@untz.ba

14. Web site:

www.untz.ba

15. Course aims:

The aim of the course is to introduce students to the basic problems of contemporary childhood as well as to the approaches to their study. This knowledge should make students qualified for problematizing the issues of childhood in the contemporary world from a sociological perspective and critically. One of the goals of the course is setting the foundation for professional training of students for research and practical work with the students in our environment.

16. Learning outcomes:

At the end of the course students will be able to independently use the available literature in order to solve various problems from the content of the course. They will be capable of solving problems of different complexity, both individually and in teams, as well as presenting them in a written or oral form with acquiring skills for practical problem solving which will result in the ability to pass a final exam at the first exam periods at the end of the semester.
