15. Course aims:

Social and political thought in BiH is not unknown throughout history, but it is not sufficiently scientifically completed, so students through the educational process, using available literature, need to know which prominent Bosnian intellectuals in different periods thought about BiH as their homeland and what ideas they spread.

16. Learning outcomes:

Students should realize that within cultural policy it is necessary to make a reproduction with an aspect of the history of literature, that it is necessary to reconstruct Bosniak political thought, and the reconstruction of political opinion can be objectively done in different forms - genres:epistles, chronicles, poetry, philosophical essays, etc. The reconstruction of political thought includes the interpretation of many excellent forms through which the Bosniak experience of politics of that time was objectified and that this way we want to jump to ignorance of our cultural heritage

19. Assessment methods:

The final written exam is preceded by pre-examination obligations: attendance at lectures and exercises, activities in lectures and exercises, seminar work and mini tests. From pre-examination obligations a student can achieve a maximum of 50 points. The student is obliged to regularly attend lectures (P) and exercises (V). IN during the semester, the student can miss a maximum of three times from lectures and three times from exercises. In case the student due illness or other justifiable reasons could not attend a certain number of hours of classes, he is obliged to in agreement with to compensate the subject teacher and assistant for the same and to perform the missing obligations in a certain period of time through independent work, in consultation with the subject teacher or assistant.

For continuous attendance and activity in the classroom (lectures and exercises) throughout the semester the student can achieve a maximum of 15 points. In this way, students will be stimulated to regularly attend classes and be active in teaching throughout the semester. A larger number of unjustified absences of 6 with P or V will not be tolerated in that either in this case the student will not be able to obtain the signature of the responsible teacher necessary for the certification of the semester. For done and presented independent seminar work student can achieve from 0 to 5 points.

During the semester, students will be given to solve two mini-tests. The tests will include processed teaching units. The aim of these tests is to prepare students for the final exam throughout the semester by testing their knowledge. On Test dates students will be notified at least 15 days in advance. The maximum number of points a student can earn Achieve on the tests is 30 points. This opens the possibility that the student can from pre-examination obligations score a maximum of 50 points. After completing the pre-examination obligations and completing classes in the first semester follows final exam consisting of an oral examination of students' knowledge.
